

Remarks

Claims 1-3, 5-14, 16-17 and 34 are pending. Claims 1-3 and 5-13 were previously allowed. Claims 15-17 and 34 were objected to as being dependent upon rejected base claims 14 and 20. Claim 14 was amended to include the features of claim 15. Claims 16 and 17 were amended to depend from (amended) claim 14 instead of 15. Please note that the features of claims 16 and 17 did not change at all. Instead, the numbering changed since in order to rewrite claim 15 as an independent claim it was simpler to amend claim 14 than claim 15. Claim 34 was amended to include the features of independent claim 20. Therefore, all claims are allowable.

Believing to have responded to every issue raised by the Examiner in the last communication mailed, Applicants believe the present Application is currently in a condition of allowance. Applicants earnestly solicit allowance of all pending claims. Please contact Applicant's practitioner listed below if there are any issues.

Respectfully submitted,
